Mr. Mike Dalley – Environmental Affairs
Staker & Parsons Companies
151 West Vine Street
Murray, Utah 84107

Subject: Request for Changes to the Notice of Intention and Immediate Actions, Staker & Parsons Companies, Beck Street Quarry, M0350019, Salt Lake County, Utah

Dear Mr. Dalley:

Ms. Beth Ericksen inspected the Beck Street Quarry site on October 4, 2007. As a result of that inspection, the following list consists of action items associated with the permit NOI and the implementation of requirements to ensure compliance is maintained.

The table identifies the necessary action and whether this action is affiliated with the current plan that will require an amendment (A) or if the action required is a result of not following the plan (NOI) outline (I). As shown in the table, the required change is identified along with referencing the particular rule, picture number and deadline.

| Action Description | A or I | Required Change | Rule | Picture reference | Deadline |
|--|--------|--|--------------|-------------------|-------------------|
| Place signs in growth media area | I | Implement | R647-4-107.5 | | November 15, 2007 |
| Test fines that are currently stored as growth media | I | Implement and work with Division biologist | R647-4-107.5 | | December 15, 2007 |
| Provide information regarding the management of the 58° southeast highwall and how it is being kept in an environmentally safe manner. Include and identify actions that have already been implemented | I | Implement | R647-4-107.6 | | December 15, 2007 |

| | | | | | |
|--|---|--|--------------|--|-------------------|
| Indicate how much topsoil has been removed from the east slope and how it has been managed | I | Call to discuss or arrange meeting with the Division | R647-4-107.5 | | November 15, 2007 |
|--|---|--|--------------|--|-------------------|

The Division looks forward to working with you on these action items. This effort is geared toward fostering a culture of ensuring public welfare and safety and instilling the importance of the role of the mining industry in Utah. The Division wants to ensure the mining industry is respected, valued and highly regarded, as its role is critical toward the economic vitality and high quality of life the citizens of the state experience and deserve.

A copy of the inspection report is forthcoming under separate cover. If there are any questions regarding the content of this letter, please contact Ms. Beth Ericksen, 801-538-5318.

Sincerely,

Susan M. White
